PEACE

Myrtle Vorst Sheppard

There is an inner peace
No roar of cannon can destroy.
There is an inner hope,
An inner joy,
Born of the certain knowledge
God is ever near,
Nurtured by faith,
Impregnable to fear.
There is an inner peace
That every man attuned to Truth
Can know, a golden inner
Glow of tranquil trust
That lifts the heart that walks
With God above despair
Even when sound of battle fills
the air!

Truth for These Times

IN THESE TIMES of world crisis Silent Unity is aware as never before of the magnificent spirit of the people. The letters pour in day by day from the West Coast, from the East Coast, from the North, the South, the Middle West of this land of America, as well as from the far corners of the earth. Silent Unity loves the people who write; we love them for their faith, for their devotion to prayer, and for the brave way in which they face their problems and carry on.

Everywhere people are having to make big adjustments in their lives; they are having to make changes; they are having to stand firm when jobs and homes and even their lives seem threatened. That individuals the world over are meeting these experiences calmly, courageously, triumphantly, is proved to us by the letters received in Silent Unity daily, letters that are truly representative of all the kinds of persons that go to make up this world. These letters have revealed that those who know Truth are equal to any emergency, are brave and fine, are keeping faith in God, in their fellow man, and in the ultimate establishment of world order.

Through the years Silent Unity has prayed with the people of every land for prosperity, for jobs,

for homes, for money to pay debts, for the hundred and one human needs that arise. We have instructed them to learn and use the laws of prosperity. We have taught them to think in terms of abundance and to speak in terms of abundance. We have taught them to believe in the law of divine supply and demand. We have taught them that there is no loss in Spirit, no injustice. We have assured them that one door never closes without another door opening. We have urged them not to lament changes but to look upon them as opportunities for growth and development.

Now when faithful Truth students write us of their present experiences and the way in which they are meeting them, we know that the words of Truth that have gone out have fallen on fertile ground and have taken deep root in heart and mind and soul.

Letters come to us telling us that sources of supply have been cut off, that transfers to distant cities must be made, that jobs must be relinquished in order that the jobholders may serve the country's cause, that businesses must be closed because of shortages of material or labor. Yet through all these letters there runs a note of hope, of faith, of determination. These people believe in God and in His unchanging law of good, and they ask us

to pray with them for the understanding that will enable them to work out their problems.

Priorities, restrictions, and other regulations have caused many businesses to close. A woman wrote that the firm where she had been employed for the past five years had been dissolved but that she knew she would be led into her highest good. This valiant soul was voicing the faith of many Truth students who have had to meet the same experience. Today there are many wives who are giving new courage and strength to their husbands by standing firm in Truth. One woman wrote: "While my husband has been laid off from his work in the factory, I feel it means that there is something else for him to do. He is much more calm, and that is so important."

We rejoiced when we read a letter from a woman who wrote that her husband had found work. She had asked prayers for him several weeks previously, because after having worked for one company for eighteen years he was told that his services were no longer needed. He was nearly fifty years of age.

This woman had built up such a strong faith that she was not worried. Her family wondered if she realized how serious the situation was. They knew she studied Truth, so she simply said to them: "Once there was a man who said, 'Whatso-

ever ye shall ask'; and I am asking and believing."

When her letter and prayer came from Silent Unity, she gave the prayer to her husband and son without comment. Three days later her husband was offered a steady job. The pay is less, but she says that somehow they both feel this is the right place for him. He is happy in his new work, and he told her that he thanked God for the loss of the other work and for the new job.

We know that Truth is unchanging and its principles unfailing, regardless of the problem. To those who have faith that all things work together for good, supply to meet their needs always comes. Those who know the Truth that they are an important part of God's creation, and that as such they have a perfect place of service, always find work.

Those who sincerely desire to establish order in their finances and to be free from debt find that their life is set in order when they pray for guidance and good judgment and work with the ideas that come to them.

Those who stand fast in their faith that there is no loss or failure in Spirit find new opportunities opening before them. Truth is the way now, as it has always been the way; and the letters of rejoicing we receive prove this to be so.

You who read these words, you who join us in

the study of the daily lessons, are an important part of the Silent Unity work, for you are adding to the ever-growing knowledge of Truth and of God that means individual security and peace for the nations. Let us keep faith in the Truth. Let us stand fast now as never before in our conviction of the unchanging goodness of God.

Letters from Readers

Although we do not have room to publish many of the letters that come to us each day, we have selected a few at random because we believe that these messages of trust and courage will bolster your own faith and give you new enthusiasm and confidence.

* * *

Two inspiring messages from England:

Although not in a town and therefore much better off, and not in a bad area, we get our moments and hear the aircraft over us, and the bombs falling around. "Around" is just the word, for I have prayed and believed and thanked God for our safety, and the people here rather wonder that six or seven farms around have had bombs, but not one have we had on our land—nothing nearer than a mile or two, though near enough at times so we hear the whistle as they fall. I wonder where they'll land, but always I have known that they would not hurt us.—*P. M. T.*

We have had some stirring times here but have been marvelously protected. When the town was bombed we did not even have one pane of glass broken. Some of our friends had their houses demolished. My daughter escaped all right when the enemy was machine-gunning the streets as she was coming home. My son has been promoted to command of a submarine and has kept well and safe, thank God, though his is an extremely perilous job. "They that trust in the Lord shall not lack any good thing."—*Mrs. R. H. W.*

* * *

Prayers go forth momentarily for every man and woman in the service. Our faith is renewed and our hearts filled with thankfulness when we read letters such as these:

Thank God for divine protection. My son for whom I asked prayers for protection has had miraculous deliverances. On one occasion he just stepped out of his sleeping hut when a surprise-attack bomb landed on it and blew it to pieces. The other time he was buried in the ruins of a house where he was dining. He said superhuman strength was given to him when he found himself pinned under a beam and tons of masonry. He got out by himself, he did not know how, badly shaken and bruised but uninjured. Thank God.—*A. O. P.*

My husband in Iceland is still safe and well. I hear from him every week, and every letter finds me still cheerful and unworried. I know God will hear all my prayers and return him safely. I find much consolation in repeating your peace prayer nightly too.—*Mrs. R. E. H.*

It is heartening to know that Unity is taking such an active interest in the welfare of our boys.* My boy left this country when I first wrote to you, and I did not know where he was going. However I received a letter from him shortly afterward stating that he was in Australia and had been assigned to the medical corps. He was in good spirits and said he never felt better in his life. I wish to thank you for the interest shown, and I will be only too glad to make reports as you suggest.—C. S.

Here is \$1 for a renewal of my subscription for DAILY WORD, from which I draw daily inspiration and comfort in knowing that my third son, with the U. S. Army, and my second son, with the U. S. Navy, are safe and forever held high by the power of Almighty God.—Mrs. A. W.

You know my prosperity bank is to help my two boys who are in service for their country. My youngest son is over there somewhere, I don't know where. He has been gone over a month now, and I have not heard from him; but I know he is all right, as he is in God's care, and I know He will go ahead of him and he will be all right. My oldest son is in the air corps, but is still here at home. So I know you pray for both of them to go ahead and be safe. I am not afraid, as I pray for them at 8:30 to 9 o'clock regularly.—Mrs. C. S.

*In addition to placing each service man's name in our prayer room for continuous prayers for protection, we offer a six-month subscription for DAILY WORD free of charge to any man in any branch of the service whose full name and address is sent to us. This is made possible by a fund to which friends who want to help are lovingly contributing.

Jesus asked the people who came to Him for healing if they believed that He was able to heal them. Those who believed received their healing. I believe that as long as you pray for my son he will be protected from harm; for I know that Unity is doing the same work that our Master did. While I have prayed as Unity tells me to pray. I have been gaining health and harmony. People tell me I don't look like the same woman. Oh, I know with God all things are possible, for those that believe; He only asks us to take Him at His word. And through reading Unity and praying daily as you teach us to pray I am made able to take Him at His word. —S. N.

I would also like for you to pray for my son's safety. My son is in the army, serving his country. I have gone to — churches for about eighteen years, but have found more consolation in Unity. When I started to Unity I was heartbroken over this war and over giving this dear son of mine up to serve his country. I now feel differently about my son. I feel that he is in God's care always.—R. W.

It is some time since I asked you for prayers for two soldiers, brothers. Both boys left this country, a day apart, for parts unknown. One apparently was going to a warm climate and one to a cold climate, as far as could be judged by letters each had written to his family. The brothers are very fond of each other, and tried to meet shortly before leaving but were unable to.

After many weeks of waiting for news, cards came of their safe arrival at their destinations. This of course made us very happy. Then came a letter from one of them saying that one day as he was walking down a

street—in another country, in another part of the world—he walked straight into Bill, his brother. Of course it was cause for rejoicing on everyone's part, and I wanted you to know too. I am truly grateful, for it means a lot to know they are near each other now; and I know that such a thing is not a coincidence. I am very thankful to God and you for your help.—*M. R. H.*

I wish to give this bit of news about my soldier brother to whom I requested you to send *DAILY WORD*. He was the only one in his outfit sent to A—— training quarters to be an instructor, while the others were sent to the West Coast.—*C. K.*

* * *

The "boys in the service" are themselves deeply aware of the protecting presence and power of God and of the value of praying to and trusting in Him:

Just a line from a private who has faith in God and His goodness. Before I entered the army I wrote to you about my need for your prayers in matters close to my heart, and I would appreciate your prayers in my behalf for the same desire. Sometimes in the army you almost want to give up. It seems friends and parents seem to forget you; but God is a God of mercy, and I desire your prayers so that I may keep on with a heart of faith.—*T. O. C.*

Once again I turn to your beautiful service for help. I am now a candidate at officers' training school. I am studying artillery. Not having any background for this type of work, which is in large part higher mathematics, I find the going somewhat rough. I have not been able

to detach myself from the problem sufficiently to pray in an adequate manner. I ask for your prayers to increase my strength and wisdom so that the work will be made clearer to me; that my mind may become crystal clear so that I can better absorb the teachings. I ask that you pray to God with me through Christ Jesus. With you in Truth and firm in the belief that there can be no failure where He is, I remain sincerely yours.—A. J. S.

Reading your wonderful magazine of DAILY WORD has helped me in many ways. When I first came into the service (army) I was so worried sometimes I didn't know whether I could go through with it or not. That first DAILY WORD gave me courage to go on.—W. R.

I am more than happy to accept your most generous offer to send me DAILY WORD for another six months. I suppose you wonder why my address has been changed. Well, I'll tell you. I was admitted to this hospital with a broken right ankle, with which I had a blood clot, which as you no doubt know is deadly. Well, I'm going to let you in on a little secret. Due to the Unity training that I've had I was in bed just eighteen days. After my release, due to the fact that my unit was somewhere in Alabama on guard duty, I was put on detached duty as assistant (secretary and organist) to the station-hospital chaplain, and now he seems to be becoming very interested in Unity.—S. M. C.

I am in the U. S. Marine Corps. My mother gave me a year's subscription for DAILY WORD as an Easter present. This is a very good magazine for any service boy to

have. It helps me many times to overcome the obstacles that are put before me. I am sending you a small offering. It isn't much, but I hope it will help let more people know about God through reading your book.
—E. P.

Some weeks ago I wrote asking your help through prayer, just prior to my recall to active duty with the army. I explained my scruples against war in any form, against any direct contact with war activities.

I know now that your prayers have had a most marvelous answer in my case. Even though I spent a week at a military camp awaiting assignment, I was not given anything in the way of drilling, marching, and the like. When my assignment came through it was an order returning me to my old army job at corps-area headquarters right here in town. Except for wearing a uniform, my job in the army is just the same as a civilian job, as I live at home when my day's work is through.

As God has blessed me so wonderfully and the power of prayer has saved me from what could have been some very unpleasant experiences, I would like to show my gratitude in some tangible way. So I am inclosing a check for five dollars to help along the work of Silent-70* in furnishing Unity literature to men in the camps and training stations. I am hoping to be able to send along a similar donation each month for the duration of the present conflict. And I know that God will

*Silent-70 is the department that handles the distribution of free Unity literature wherever it is desired.

open the way for me to do as I plan, if this be according to His will.—*M. G. V.*

* * *

On the home front too the folks are "keeping the faith," proving the presence of God as a practical help in every circumstance:

Thank you. All is in order; I have gone on another adventure. The Lord and I are going to a defense training school, training in lathe work, making tools.

There is no better place for a Truth student who is studying to be a Truth teacher than a factory, where thousands are working who need the poise, love, and peace of a Truth soldier, who stands guard and lifts others to a higher consciousness through his own understanding of the Presence.

As children of God whose eyes have been opened we must be about the Father's business, and God through us will do the rest.

What is my vocation? The Father's business. I have done many things that were strange, which of myself I could not do; but Christ always can do it. And believe me, it is fun.—*E. F. L.*

You remember this past February I wrote you concerning my husband's job. They were trying to let him go. They said he was too old. I asked you for your prayers. I want you to know he is working yet. I thank God and you all. Again I say I don't know what I would do without your prayers; and I am going to do all I can to help you carry on your wonderful work. You may do whatever you wish with the forty-five cents; and please send me another bank drill at once. I want my name to stay in your prayer room.—*C. M.*

GOD'S PERFECT SPIRIT NOW IMPELS ALL MEN TO EXPRESS THE HIGHEST THAT IS IN THEM.

WITHIN the heart of every man there is a deep yearning to express the highest ideal that he is capable of. All about us in the world we see men and women who are zealously endeavoring to put into expression certain ideals that they have conceived as being the highest good for them and their fellow men. While we may not wholly agree with their ideas, and may discern many ways in which they can be improved, we can still bless the men and women throughout the earth who have a high vision for humanity and are seeking to express that vision, however imperfectly.

God's Spirit is perfect, and is continually seeking perfect expression through men. Through the power of our positive thought we can direct the vision of our fellow men continually upward, so that we and they may behold the way by which all of us can express God completely and perfectly. Let us behold God's perfect Spirit, the Christ, now in perfect expression.

☛ *Be perfected together in the same mind and in the same judgment.—I COR. 1:10.*

THE SPIRIT OF WISDOM DIRECTS US IN ALL
THAT WE DO.

THE SPIRIT that dwells within us is all-wise, all-knowing. He is our guide, our helper in the task that is given us to do. We are able to perform this task promptly, efficiently, and well under His direction.

New and strange conditions may stand before us, but we are undisturbed by them. The Spirit in us gives us assurance that all is well. We are receptive to His wise counsel, and we obey it unquestioningly.

If our associates or co-workers disagree with us as to the right thing to do under the circumstances, we do not contend with them. We silently declare that God's wisdom guides them and us. Because we know that each one is divinely directed, we are able to find a common ground of understanding with them. We are equal to every emergency because the Spirit in us is steadfast and strong, unaffected by tumult or shouting. We know that God is omnipotent, and that He is the directive power within His creation.

✿ *Thanks be unto God, who always leadeth us in triumph in Christ.*—II COR. 2:14.

THE MIGHTY POWERS OF SPIRIT ARE EXPRESSED THROUGH US THIS DAY TO ESTABLISH JUSTICE AND PROMOTE GOOD WILL AMONG MEN.

MANY YEARS ago, long before the outbreak of the World War in 1914, a great teacher who has keen spiritual perception advanced this solution for disturbed world conditions: " 'For neither doth the Father judge any man, but he hath given all judgment unto the Son.' This Son is the Christ . . . to its equity, man should commit the justice that he wishes to see brought into human affairs. Put all the burdens of the world upon the one supreme Judge and hold every man, and all the conditions in which men are involved, amenable to the law of God."

Spirit, God, has not delegated to us the right to judge our fellow men. He has however endued us with power to establish justice by making ourselves willing agents for the activity of the Christ, unto whom is given all power in heaven and in earth. Let us invoke and express this Spirit power.

✿ *Let every soul be subject unto the higher powers. For there is no power but of God: the powers that be are ordained of God.—ROM. 13:1 (A. V.).*

Friday

THE ALL-ENCOMPASSING LOVE OF GOD SHALL
THIS DAY ESTABLISH IN THE WORLD HAR-
MONY AMONG ALL ITS PEOPLES.

BECAUSE we are spiritually awakened and realize that all men are sons of the Most High, we are no longer under bondage to human conceptions of prejudice and antagonism. We view all God's creation from the high plane of Spirit, and we behold with our expanded vision God's love encompassing and infolding all His children everywhere, regardless of creed, color, or station.

Today we unite in declaring the mighty Truth that the love of God the Most High shall establish harmony among all the peoples in the world. We know that in God's kingdom, the kingdom of the heavens, peace and harmony abide eternally, and through the power of our word we call it forth into manifestation in the earth.

The words that we speak are dynamic words of Spirit power, and we know that they do accomplish that whereto they are sent.

✿ *The love of God hath been shed abroad in our hearts through the Holy Spirit which was given unto us.*
—ROM. 5:5.

OUR THOUGHT IS CENTERED ON GOD, AND
OUR UNDERSTANDING IS QUICKENED.

WHEN WE are puzzled by some problem and feel the need of human counsel or advice, we may seek out someone who has successfully met a similar problem and avail ourself of the benefit of his experience. In learning the methods or technique he has successfully used we often get a new slant on our own problem.

While human counsel and advice is helpful, there is only one true source of understanding, God. When our thought is centered upon God and our mind is open and receptive to Him, our understanding is quickened and we receive direct from God "the spirit of wisdom and understanding, the spirit of counsel and might, the spirit of knowledge."

The humble prayer of Solomon "Give thy servant . . . an understanding heart" is one of the greatest of human prayers. It is an acknowledgment of the insufficiency of the personal self, and a declaration of willingness to receive divine guidance.

♣ *The breath of the Almighty giveth them understanding.*—JOB. 32:8.

SEPTEMBER 6

Sunday

WE ARE ONE WITH GOD, GOVERNED BY HIS
LAW OF PEACE, HARMONY, AND LOVE.

BY OUR faithful use of the prayer for today, we shall find every puzzling situation that faces us harmonized and adjusted so that everyone concerned will be pleased and completely satisfied.

God's law is above man-made law. If there is any appearance of conflict between them, let us not be disturbed by it. Let us fix our whole thought upon God, and thus put His law into operation for us. God's law of love will override or supersede the man-made law and establish peace and harmony for us.

When we elect to be governed by God's law, we no longer try to invoke it for selfish purposes. We become loving, gentle, kind, and thoughtful of others. We know that God is our unselfish Father, who blesses us with every good thing. We accept our many blessings in an unselfish spirit, for we know that by so doing we are not depriving anyone of what is rightfully his.

* *My lovingkindness shall not depart from thee, neither shall my covenant of peace be removed, saith Jehovah.*
—ISA. 54:10.

THROUGH TRUTH THE MIGHTY WORKS OF
GOD ARE BEING ACCOMPLISHED IN THE
WORLD THIS DAY, THIS HOUR.

GOD, the omnipotent Father, the doer of mighty works, the principle of life in action, is momentarily accomplishing His divine purpose through His children, the peoples of the earth. We are the agents through whom He operates to perform His mighty works.

Throughout the earth we see momentous deeds being performed, great changes taking place in habits of living, in currents of thought, in methods of manufacture and distribution. The old is giving way to the new. These are indications of the passing of the era of selfishness and the birth of the era of love and brotherhood.

Perhaps we cannot yet ascertain the extent of the changes that we are going through; but whatever they may be, we face them unafraid, stout of heart and courageous in spirit. Resolutely we declare and realize that God is working in us and through us and in and through every man to establish good.

♣ *There are diversities of workings, but the same God, who worketh all things in all.*—I COR. 12:6.

GOD IS OUR COMFORT. HIS LOVE UPHOLDS US MOMENTLY.

I EVEN I, am he that comforteth you: who art thou, that thou art afraid of man *that* shall die, and of the son of man that shall be made as grass: and hast forgotten Jehovah thy Maker, that stretched forth the heavens, and laid the foundations of the earth; and fearest continually all the day because of the fury of the oppressor, when he maketh ready to destroy? and where is the fury of the oppressor?

The captive exile shall speedily be loosed; and he shall not die *and go down* into the pit, neither shall his bread fail. For I am Jehovah thy God, who stirreth up the sea, so that the waves thereof roar: Jehovah of hosts is his name.

And I have put my words in thy mouth, and have covered thee in the shadow of my hand, that I may plant the heavens, and lay the foundations of the earth, and say unto Zion, Thou art my people.—*Isaiah*.

☛ *Hearken unto me, ye that know righteousness, the people in whose heart is my law; fear ye not the reproach of men, neither be ye dismayed at their revilings.*
—ISA. 51:7.

SEPTEMBER 9

GOD'S LOVE IS EXPRESSED IN ALL THAT WE
THINK, SAY, AND DO.

THE LOVE of God is a harmonizing force that is mighty to heal any adverse situation. It promotes good will and fellowship, overcomes resentment and dissatisfaction, and replaces criticism with commendation.

Paul gave us one of the best rules for harmonious living ever formulated when he said: "Let all that ye do be done in love." Truly when love motivates our every thought, word, and deed we are able to accomplish miracles.

Love expressed through us looks past all outer appearances of limitation or defectiveness. Love calls forth the good that is innate in everyone. Love sees everyone as unselfish, helpful, eager to do his very best. Love speaks positive, uplifting words of encouragement and praise.

Love goes out of its way to extend a helping hand. Love is compassionate, but it is positive and strong. Love does not resist strife and contention, but it dissolves them by helping everyone concerned to see the futility of disagreement. Love makes us wise, kind, and forgiving.

✿ *Speaking truth in love.*—EPH. 4:15.

WE ARE OBEDIENT TO THE VOICE OF SPIRIT.

WHEN WE give unquestioning and uncompromising obedience to the voice of Spirit that speaks in our heart we ultimately reach the highest goal that we are capable of conceiving for ourself as an individual or for the world of which we are a living part.

The directions that Spirit gives us are always right and just. A true divine leading or intuition is always clothed in divine light and is unmistakable. It is a call to action, spiritual, mental, or physical, for God's universe is pulsing with activity, with life in vibrant expression.

Full obedience to the voice of Spirit may require of us the utmost that we have to give. The tasks that our daily life brings us are not always easy. They may require us to make the most of our abilities and capabilities, but God is always with us as our loving helper and guide. We may find it necessary to undergo new and strange experiences in following out the directions that He gives, but through unfaltering and unquestioning obedience we prove our divine sonship.

❁ *Blessed is the man that trusteth in Jehovah, and whose trust Jehovah is.*—JER. 17:7.

ELIZABETH D. SCHUMANN

The love of God flings wide the gates of day
And bids me rise to walk His perfect way.
The life of God now fills my soul with power
And flows in beauty through each radiant hour.
His wisdom plans full answer to my need;
Guides and directs each thought and word and deed.
His substance is the source of boundless good.
His grace inspires my heart to brotherhood.

Thus shall I find contentment and release
Walking with God in plenitude and peace.
No doubt or fear shall hold my eager feet
From climbing to the heights of faith. I greet
This new day in the glow of Spirit's light,
And go forth unafraid to meet the night;
For I have talked with God this glorious dawn—
His love, His strength, His purpose lead me on!

THE DIVINE COMMAND "ON EARTH PEACE,
GOOD WILL TOWARD MEN" IS FULFILLED
THROUGH US THIS DAY.

N EARLY two thousand years ago God's holy angels breathed a song into the night, filling the heavens with celestial radiance, and the hearts of men with a new and strange joy. The birth of the Christ child in Bethlehem was heralded by a song of love such as men had never before heard.

The angels' song at the Nativity has not ceased with the passing of the years. It is an eternal song because it ever proclaims the glories of the Father's kingdom. His is a kingdom of peace, manifested through love and maintained through the active practice of good will among men.

Jesus the Christed One taught that love and good will are the foundations of human brotherhood. "Love your enemies," said He. "Thou shalt love thy neighbor as thyself." Through the love of God manifested in acts of good will the divine command "on earth peace, good will toward men" is made a present reality.

✿ *Wherefore receive ye one another, even as Christ also received you, to the glory of God.—ROM. 15:7.*

SEPTEMBER 12

Saturday

GOD'S HOLY SPIRIT OF PEACE INFOLDS THE
WHOLE EARTH.

FATHER, we Thy children invoke Thy Spirit of peace. We pray not for peace to be established at some future time, but we pray that our mind may be opened to behold the glories of Thy perfect peace that is now and ever shall be.

Father, we know that Thy peace is eternal and that even now it awaits our claiming. Through Thy gracious Spirit of peace we are led in paths of pleasantness that tend ever onward and upward to the heavens, the spiritual kingdom in which Thou dwellest eternally.

Father, we would that all men might know Thy peace, for only through Thee do they come to live at peace with one another. By precept and example we are continually seeking to show them the way of peace and love. We rejoice in humbleness of heart at every evidence that Thy peace is coming into full expression in our world.

Thy peace is shed abroad in our hearts, and we rejoice forevermore.

☛ *I will reveal unto them abundance of peace and truth.*—JER. 33:6.

WHERE WE ARE GOD IS.

GOD IS omnipresent Spirit. Wherever we may be, under whatever conditions we may be living or working, whatever hazards we may be called upon to face, He is with us, guiding, guarding, protecting, and helping us. His Truth is our mighty shield and our invincible buckler.

We are safe in God's care. The battle may roar around us; we may be exposed to all kinds of physical danger; we may be set upon by enemies; but the Spirit of God infolds us, and no thing has power to cause us harm.

During the night hours when hidden dangers may lie in wait for us God's Spirit goes before us, making safe and secure our way.

God is our refuge. He is our guardian and our protector. He is our savior who delivers us from every appearance of evil.

Father-God, Most High, we acknowledge Thy presence and Thy power in us and about us. We are upheld and kept secure by Thee. Thou art our defense and our deliverance.

♣ *Whither shall I go from thy spirit? or whither shall I flee from thy presence?—PSALMS 139:7 (A. V.).*

WE ARE STRONG IN THE LORD AND THE
POWER OF HIS MIGHT.

GOD, THE Lord of hosts, the omnipotent Father, is our strength. In Him we are made strong. By Him we are endued with power from on high. Through Him we are victorious in every experience. With Him we progress from glory to glory.

God's strength is a mighty, surging energy that enables us to do works that appear to be beyond our human capacity to perform. "Ah Lord Jehovah! . . . there is nothing too hard for thee."

God's strength enables us to remain calm and poised in any emergency. It quiets our restless thoughts. It makes us a tower of strength and stability to which others may turn who do not yet understand how they may draw directly upon the source of all strength.

From God we draw strength for our every need, whether it is of the body, mind, or spirit. His strength is unfailing, abundant, greater than any demand that we can make upon it. God is the strength of our life.

✿ *Be strong in the Lord, and in the strength of his might.*—EPH. 6:10.

THE SPIRIT OF THE LIVING GOD FILLS US
WITH NEW, VIGOROUS LIFE.

THE SPIRIT of life is an ever-renewing, invigorating current that flows into us freely and unreservedly as we lay hold of it with our faith. Life is the abundant gift of God to us. His creation pulses and vibrates with life.

When we are called upon to meet new and unusual situations in our daily experience we sometimes feel a sense of depression or lack of vitality. We can overcome this condition at once by giving our attention to God's life, by opening our mind and body to its inflow, by letting it surge into us, renewing and revitalizing every cell. God's life removes every trace of weariness or fatigue, and we are strengthened and invigorated.

When we need a greater realization of life we may find this prayer helpful: God is life. He is the life that animates my body, mind, and spirit. His life flows through me, instilling new vitality into every cell. I rejoice in vigorous and abundant new life.

✿ *God gave unto us eternal life, and this life is in his Son. . . . ye have eternal life . . . you that believe on the name of the Son of God.*—I JOHN 5:11, 13.

SEPTEMBER 16

Wednesday

THE SPIRIT OF THE LIVING GOD INCREASES
OUR FAITH.

FAITH is a divine faculty of the mind that is ceaselessly active. It is the tool by which we shape our life and all that comes into it. According as we develop and increase our faith we grow in spiritual stature and more perfectly demonstrate the spiritual powers that our Father has given to us.

On one occasion Jesus' apostles said to Him, "Increase our faith." Jesus' response to this petition is noteworthy. He neither granted nor denied the petition. He reminded the apostles of the tremendous potential power their faith would have if they would but call it into activity. Then Jesus subtly pointed out that it is vain for us to expect our faith to do great things for us except as we begin to put it to work now.

The moment we put our faith to work the Spirit of the living God within us increases our faith so that it is always greater than any demand that we can make upon it. The more we use it the stronger it becomes.

♣ *Whosoever . . . shall believe that what he saith cometh to pass; he shall have it.—MARK 11:23.*

WE ARE NOT DECEIVED BY APPEARANCES.
THE SPIRIT IN US INSPIRES US TO JUDGE
RIGHTEOUS JUDGMENT.

GOOD judgment is an admirable quality of mind and spirit. We have faith in and respect for a man whose judgment is keen and accurate and free from bias or prejudice or considerations of self-interest.

We can develop good judgment or righteous judgment by gaining an understanding of the divine law, God's Truth. To be righteous our judgment should never be based upon uncertain and deceptive appearances, but it should be directed and inspired by the Spirit indwelling in us.

When we judge according to Spirit we look for the good that is in everyone. We judge as Christ judged: "Neither do I condemn thee." We obey His words of wise counsel: "Judge not according to appearance, but judge righteous judgment." With Him we say: "If I judge, my judgment is true; for I am not alone, but I and the Father that sent me." Then our decisions and actions are tempered with love and understanding.

✿ *He that keepeth understanding shall find good.*
—PROV. 19:8.

WE REJOICE IN THE REALIZATION THAT ALL
MEN ARE BROTHERS IN CHRIST.

HUMANLY it is difficult to say, "Every man is my brother," when we see about us war, suffering, and all manner of negative conditions. But Jesus Christ and other great teachers who preceded and followed Him have emphasized again and again the truth that all men are brothers because they are the children of the one universal Father.

Though the pangs of its birth are sharp, there is being born into the world a new conception of human brotherhood. We are coming to realize that peace and harmony in the world are wholly dependent upon the establishment of peace and harmony among those who dwell in it, and that this peace and harmony will come about through the mutual love and respect of each man for his fellow men.

All men are our brothers in Christ. Let us steadfastly affirm this realization, and say to everyone: "I see you as God sees you, perfect in every way, free to express His Spirit in you."

✿ *The Spirit himself beareth witness with our spirit, that we are children of God.*—ROM. 8:16.

FATHER, WE REJOICE IN THY ASSURANCE
THAT WE ARE FORGIVEN AS WE FORGIVE.

FORGIVENESS involves a "giving for," a literal return of good for evil. If we try to return evil for evil, we increase strife and contention; but if we literally give good for evil, we render the evil powerless and utterly erase it from our experience.

In the part of the Lord's Prayer that is translated "Forgive us our debts, as we also have forgiven our debtors," an investigation of the original Greek text discloses that true forgiveness involves much more than the release of others from obligations that we may feel they owe us. Forgiveness is but another name for the law of compensation, the law of cause and effect. As we forgive we are forgiven; as we set others free we are set free; as we love others we are loved in return. We put the law into operation by a positive act on our part, and we are rewarded above our expectations.

☛ *Let all bitterness, and wrath, and anger, and clamor, and railing, be put away from you, with all malice: and be ye kind one to another, tenderhearted, forgiving each other, even as God also in Christ forgave you.—EPH. 4:31, 32.*

Class Thoughts

TO BE USED FROM

September 20 to October 19

The affirmations on this page, known as the Unity class thoughts, are composed by Charles Fillmore for the purpose of providing central ideas upon which Truth students everywhere may concentrate during the month. You are invited to use them with Silent Unity not only at the hours specified but whenever you have opportunity.

At 11 a. m. use this thought for

ILLUMINATION . . . I am one with the Spirit of truth, and I am guided into all the Truth.

At 12 noon use this thought for

PROSPERITY . . . I am filled to overflowing with the consciousness of divine substance, and I demonstrate financial abundance.

At 9 p. m. use this thought for

HEALING . . . I am one with Almighty-ness, and the Spirit of health fills both mind and body.

The lessons on the following three pages are based upon these class thoughts.

I AM ONE WITH THE SPIRIT OF TRUTH, AND
I AM GUIDED INTO ALL THE TRUTH.

IN THE book *Lessons in Truth* H. Emilie Cady says: "The greatest help that you can give to any man is to tell him silently, whenever you think of him: 'The Holy Spirit lives within you; He cares for you, is working in you that which He would have you do, and is manifesting Himself through you.'"

Likewise the greatest help that we can give to the world in helping it achieve the goal of divine peace that it is seeking is to know with all the fervor of our inner self that every man in the world is one with the Spirit of truth, and that he is being guided into all the truth.

Every man is a child of God. Every man is a divine being. Every man is Christed through the inflow of the Holy Spirit, the Spirit of truth into him. Behold the light of the dayspring from on high, which is guiding the whole world into all the truth. Rejoice and give thanks in the name of God, the Most High! Truth is now and ever shall be!

✿ *The Spirit of truth . . . shall guide you into all the truth.*—JOHN 16:13.

SEPTEMBER 21

Monday

I AM FILLED TO OVERFLOWING WITH THE CONSCIOUSNESS OF DIVINE SUBSTANCE, AND I DEMONSTRATE FINANCIAL ABUNDANCE.

WHAT IS the consciousness of divine substance? It is a state of mind in which we perceive, apprehend, and realize the opulence of the inner realm of Spirit, the infinite divine substance that fails not, that is not depleted, and that overflows into our affairs when we affirm our faith in it.

We resolutely look away from any appearance of lack anywhere, for the Spirit of truth bids us: "Look unto me, for I am your all-sufficiency in all things. Behold your abundance, greater than you can ask or think. Look unto me and receive the riches of your Father's kingdom, which He has prepared for you from the foundation of the world. Look unto me, O beloved of your Father, and be ye prospered, all ye nations!"

That which we perceived in the inner world of Spirit is now manifested for us in the form of financial abundance through our unfaltering faith in the mighty prospering power of our Father.

♣ *Now ye are full, now ye are rich.*—I COR. 4:8 (A. V.).

SEPTEMBER 22

I AM ONE WITH ALMIGHTINESS, AND THE SPIRIT OF HEALTH FILLS BOTH MIND AND BODY.

WHEN IN perfect faith we declare our unity with almightiness, the Father omnipotent, we are infolded by and infused with the Spirit of health. All things are made new in our mind and body. We are revitalized, harmonized, and invigorated by the holy breath of God.

Having made our union with almightiness, we can in turn speak the healing word for other individuals and for the whole world. The Spirit of health knows no race nor creed, no space nor time. It is immanent in the universe. Healing is for all men, all living creatures, even for the inanimate creation, for all is Spirit in process of expression.

Let all men say, "We are one with almightiness." All the powers of heaven and earth respond at once to bring about the healing of the nations. Let the whole earth rejoice in the manifold blessings of the Spirit of health, who dwells with us forevermore.

✿ *There is one body, and one Spirit . . . who is . . . in all.*—EPH. 4:4.

OUR SPIRITUAL VISION IS QUICKENED, AND
WE DISCERN THE INNATE GOOD IN ALL MEN.

THE BIBLE tells us that God created man in His own image and after His likeness, and that all men are sons of their divine Father. Because we are the direct creations of God, the all-pervading and omnipotent Spirit, the eternal Spirit of good, we must partake of His being, and therefore be manifestations of good.

Until our spiritual vision is quickened the world that is perceptible to our senses appears to us to be the real world. We see it filled with all sorts of negative conditions, and we ourselves undergo many negative experiences. But when we fix our attention upon the high and holy places of Spirit we gain a new realization of the infinitude of God's creation. We see that the sense world is transitory, subject to decay and continual change. But our moment of greatest illumination comes when we discern the real world of Spirit, God's kingdom, the kingdom of good wherein all is perfection, peace, and light. Then we truly see the divinity that dwells within all men.

✿ *Open thou mine eyes, that I may behold wondrous things out of thy law.*—PSALMS 119:18 (A. V.).

SEPTEMBER 24

WE ARE NO LONGER IN BONDAGE TO ANY
CONDITION. THE SPIRIT OF THE LORD HAS
SET US FREE.

THE SPIRIT of the Lord God omnipotent now has dominion over the earth and all that is therein. Every heart shall bow to Him who is Lord of all, ruler of mighty cities and far-flung domains. Every voice shall be lifted in rejoicing for the perfect freedom with which He has set us free.

We have lifted up our eyes on high to behold the infinite glories of the heavens, and new light has shined for us. It has revealed to us the truth that we are free, unlimited sons of God, citizens of His kingdom, and declarers of His word, and doers of His will.

The Spirit of the Lord has set us free from all darkness, fear, limitation, hatred, or any other negative condition that may have appeared to us to have reality. Unfettered and unbound, we now walk uprightly, as befits sons of God the Most High. We rejoice in true freedom, the freedom of Spirit that is eternal.

✿ *He that was called in the Lord . . . is the Lord's freedman.*—I COR. 7:22.

SEPTEMBER 25

Friday

INSPIRED BY THE SPIRIT OF GOD, WE ARE
STEADFAST IN HEART AND MIND.

THE SPIRIT of God is steadfast and does not waver. It is enduring and unyielding. It is a mighty tower of strength and stability to us in time of difficulty or emergency, when we may feel incapable of coping with some situation.

The Spirit of God bears eternal assurance that all is right in God's world; that He is the living, breathing essence of it; that there is nothing to alarm us or make us fearful.

Steadfastness is the support or reinforcement that we give to our faith. No matter how great our faith may be, if we do not hold to it steadfastly it can accomplish little. But faith backed by steadfastness of heart and mind can accomplish undreamed-of wonders, veritable miracles.

There are certain tasks before us to be done. God has implanted His Spirit in us to guide and direct us in their successful accomplishment. Because we are steadfast in heart and mind, we are victorious in our every undertaking.

✱ *Wherefore, my beloved brethren, be ye stedfast, unmovable, always abounding in the work of the Lord.*
—I COR. 15:58.

THE SPIRIT OF GOD IN US EXALTS US.

THE SPIRIT of God indwelling in us is ever bidding us lift up our eyes to the high places of the spiritual realm. Gently yet insistently come the words: "Come, ye blessed! Look unto Me! I am the Lord who is omnipotent love and justice and peace. I am He who is all wisdom, all strength, the eternal One. Look unto Me, the creator and protector and sustainer of the world and all that is therein."

A Truth writer has said: "He who illuminates his mind with recognition and contemplation of heavenly things has entered a new order. He who places the inner eye toward the finished kingdom has entered a new freedom. He who feels the oneness of all lives, the omnipresence of all love and harmony, has entered a new peace and illumination."

Let us acknowledge the presence within us of the Spirit of the Most High. Let us mount up with wings as eagles. Let us shake off the shackles of mortality, and emerge into the light, love, peace, and joy of the kingdom.

✿ *I will set him on high, because he hath known my name.—PSALMS 91:14.*

GOD IS OMNIPOTENT. HIS TRUTH IS ESTABLISHED FOREVERMORE.

THE LORD GOD omnipotent, the Father Almighty, now reigns and rules supreme in our world. He has dissolved all opposing forces, and has established His Truth so that henceforth nought shall prevail against it.

The Father Almighty now endues us with power to do mighty works in His name. He quickens us with new inspiration. He gives us new courage, new expectation, new strength, new understanding of our divine nature. He illumines our mind so that we now behold and comprehend that which heretofore has been hidden.

In this new realization of our divinity we perceive that the Father Almighty is acting in us and through us. In order that we may express Him perfectly in all our ways and be free from any thought of self-advancement, we pray: Father, Thou art eternal. Thine omnipotent power is now expressed through us in perfect ways, not as we will but as Thou wilt. Thine be the glory forever.

* *Alleluia: for the Lord God omnipotent reigneth. Let us be glad and rejoice, and give honor to him.*—REV. 19:6, 7 (A. V.).

SEPTEMBER 28

GOD, THE FATHER ALMIGHTY, IS THE SUPREME POWER IN OUR LIFE.

I WILL praise the name of God with a song,
And will magnify him with thanksgiving . . .
Let heaven and earth praise him,
The seas, and everything that moveth therein.
Thou hast given commandment to save me;
For thou art my rock and my fortress. . . .
For thou art my hope, O Lord Jehovah . . .
My praise shall be continually of thee. . . .
Thou art my strong refuge.
My mouth shall be filled with thy praise
And with thy honor all the day. . . .
My mouth shall tell of thy righteousness,
And of thy salvation all the day . . .
Thou . . . wilt bring us up again from the depths
of the earth. . . .
My lips shall shout for joy when I sing praises
unto thee . . .
My tongue also shall talk of thy righteousness all
the day long.

*The Mighty One, God, Jehovah, hath spoken,
And called the earth from the rising of the sun unto
the going down thereof.*

—PSALMS 50:1.

WE ARE RENEWED IN BODY, MIND, AND SPIRIT BY THE FATHER ETERNAL.

THE ever-renewing Spirit of God, the Father eternal, continually renews our body, mind, and spirit. Into our daily life there come experiences that make physical, mental, or spiritual demands upon us, but whatever strength or energy we are obliged to use in meeting such demands is immediately and abundantly replenished by the renewing Spirit of God.

"Behold, I make all things new" is the Father's promise to us. Through becoming still and shutting the door of our mind against the clamor of outer conditions, negative thoughts, and disturbed emotions, we enter the sanctuary of prayer, the secret place of the Most High. Here all is well, all is quiet, all is peace. Here the invigorating, restoring, healing, renewing life of Spirit renews us. Our body is revitalized; our mind is filled with new and fresh ideas, and our spirit is lifted to the heights. We go forth helped and strengthened, ready to do our daily tasks.

*Create in me a clean heart, O God;
And renew a right spirit within me.*

—PSALMS 51:10.

THE LIGHT OF GOD SHINES FORTH THROUGH
US TO BLESS ALL MANKIND.

THE BIBLE tells us, "Walk while ye have the light . . . believe on the light, that ye may become sons of light." We who have walked with God, the Spirit of light, are no longer dwellers in the darkness. We know that we are divine beings with divine powers. We know that within us shines the eternal light that never fails, that dissipates all darkness.

Because we are become sons of light, we are endowed with power from on high. We have the mastery of every untoward condition. To us is given dominion. We are charged with the responsibility of exercising this dominion to dispel the dark shadows of fear.

In difficult times men who are not yet spiritually awakened would lose heart and hope if it were not for the illumined individuals who let their light shine to bless their fellow men. Let us who are conscious of the light indwelling in us now let it shine forth in love and blessing to all men everywhere.

☛ *If we walk in the light, as he is in the light, we have fellowship one with another.—I JOHN 1:7.*

Stop Thinking about Lack!

If you are experiencing a lack of some good thing, try this simple, sure way of overcoming it. Stop thinking about what you lack and begin thinking about God instead. When you stop thinking about lack you drive it out of your consciousness, and when you substitute thoughts of God you ally yourself with His infinite, unfailing abundance. The Master indorsed this plan when He said: "Seek ye first his kingdom, and his righteousness; and all these things shall be added unto you."

Unity's Prosperity Bank drill will help you take your attention from the appearance of lack and center it upon God, the one source of supply. A prosperity prayer is sent to you with the Bank. Your faithful use of it will so enrich your consciousness that you will feel the urge to share your good with others, and the Bank offers you a channel of expression. Drop in a coin a day for the purpose of sending **DAILY WORD** to your friends. Silent Unity will co-operate with you in prayer as you follow the Bank drill.

Unity School of Christianity, 917 Tracy, Kansas City, Mo.

Please send me a Prosperity Bank and enter a year's subscription for *Daily Word* for each of the persons here named. I will save \$3 for the subscriptions, which are to begin at once. I ask the prayers of Silent Unity for my success.

How to build new mental equivalents and maintain them is the theme of this inspiring booklet, which is now being published by popular demand, its chapters having gained wide recognition when they appeared in **WEEKLY UNITY** not long ago.
